“ I met Bess working at H&R Block as my Manager. We clicked right away and I knew she would end up being a good friend to me and my family. She was a great lady and we had fun together going to the gym and working at the dance recitals. My time with her I will always treasure. I will miss her very much. My deepest sympathy goes out to Joe, Cindy and the rest of the family.

“ I remember Bess from when I was 10 years old. She was always a strong, hard working woman who did everything it took to take care of her daughter and Mother, aka (Granny) Bess was such a sweet person!
