“ So terribly sad to learn of the passing of Bruce, such a good, caring man. It has been many years since I last saw him and he will remain in a special place in my memory. So sorry for his family's loss.

“ Sorry, Jason, I had not realized that you asked me this question. Actually I was one of your dad's teachers at Douglas County High. He was a nice guy and I remember him fondly.

“ Prayers and condolences to you and Jason, Peggy. I'm saddened by the news of Bruce's shortened time here with us! Just hope and pray we will all meet again in Heaven! Prayers are being sent your way. I will never forget some of the crazy things Bruce and i did in our younger days! When ya'll were living in the trailer on rainy road. We never know when we will go, so we need to remember to treat each day with someone we love as if it might be the last! Love both of you, Terry Shaw. R.I.P. BRUCE LONG your memory will be with me forever!

“ This is Jason. Thank you Terry. He didn't want a funeral. It was just so sudden. But we can take comfort in it being sudden and i believe painless
