“ I cannot believe that Cheryl has passed on. In 1969, while riding my bike, I met a little blonde girl also riding a bike. We both stopped to talk. That little girl was Cheryl and we became friends at that moment. She was my first friend in Avon Park, Florida. Rest In Peace my sweet friend. I will miss you.

“ My dear sister Cheryl I remember the times we had to walk to school every morning and the times we played barbies and our room was allways a mess. I loved having a sister like you I just wish we hadn't been so many miles apart so we could have had more time together. I miss you and love you always.

“ I too worked with Cheryl Lynn Streeter at Walmart... Cheryl worked in the garden center... That's probably why she loved gardening. When ever I saw Cheryl she was always walking so fast to get to her destination... She was a hard worker and cared about what she did... She did her job and did it well.. She took care of that garden center like it was her own..I'm blown away... My heart is broken... I will miss this beautiful soul.. I chose the rose for her beauty, smile, her laughter and her personality.. She was the rose of her garden...When I was 13, I lost my Mama.. The preacher told me that God needed a beautiful flower for his table... God didn't pick the wilted ones, the dying ones,the sagging ones... God chose the most beautiful one and it stood out with the glistening dew.. God chose your mama to be the flower on his table that day.. Dan and family this helped me a great deal.. I pray for comfort and peace for your family... God bless you...
