“ Margaret and family,  
Sandy and I had the pleasure of know Claude for a long time. He was a good man one who would do all he could to help anyone who needed help. He and Sandy shared a lot of good times on the road together. He was the first one to take Josh under his wing and taught him a few things that he needed to know about driving a truck and showed him that he believed in him enough to turn that big rig over to him at night with it raining and get in the sleeper to go to sleep. That alone shows what kind of man he was too put his trust in a rookie driver. Sandy and I as well as our children and grandchildren are going to miss his crazy smiling face. The world will just not be the same with out him. Words cannot convey how deeply sorry we all are at the untimely loss of such a great friend. He will be greatly missed. Margaret if there is anything that you need please let us know. Our hearts are breaking for you all and you all are in our prayers.

“ Condolences to Claude's family. He will never be forgotten by his Naturally Fresh, Inc. / Eastern Foods, Inc. family. He was a unique, fun individual that I was privileged to work with for many years. Due to our job responsibilities, I didn't see Claude often; but, whenever I did, he always spoke the most profound words that often resulted with leaving me with a smile. Many prayers for you all during this difficult time.

“ I remember our friendship from years ago. You fixed many a cup of coffee at my house. I remember all are secrets that only we knew about. When I really broke down Claude was right there to give me his support. And it seemed like I needed it all the time. Our guess our 2 truck drivers will be swapping war stories when we meet up again. They say truck drivers don't die they just down shift. I love and care for all of you.

“ I am honored and blessed to have the best neighbors anyone could ever ask for. Danny and I have been neighbors with Margaret and Claude for almost 12 years. We are truely like family and have always watched out for one another. At the end of our little road hold's many memories that we will never forget. Everytime Claude would walk over to chat with Danny he would always say "Hey there neighbor" and it seemed like they would talk for hours. Our son Codie who is 5 always loved it when Claude would drive one of his big trucks home, he would say everytime "Claude is home". Our thoughts and prayers are with the family! We will miss you Claude and will never forget your wonderful smiling face.

“ “[God] will actually swallow up death forever, and the Sovereign Lord will certainly wipe the tears from all faces.” (Isaiah 25:8) This will include bringing back dead loved ones from the grave. As the apostle Paul wrote: “I have hope toward God . . . that there is going to be a resurrection.” (Acts 24:15) Jesus and the apostles demonstrated this by resurrecting dead ones.—Luke 7:11-16; 8:40-42, 49-56; John

11:1, 14, 38-45; Acts 9:36-42; 20:7-12. God's healing power will make the minds and bodies of all completely sound: "No resident will say: 'I am sick.'"! (Isaiah 33:24) I am very sorry for your loss. May God's Word seek to comfort you and your family.  
Sincerely, Meryl

“ My condolences to Claude's family. May God give you comfort. God promises to "wipe out every tear" from our eyes, and "death will be no more." (Revelation 21:4) I hope this thought will bring you some hope and comfort.
