“ Debi. My deepest condolences to you and your family. You guys were stationed with me at K.I. Sawyer in MI (POL). POL is still a small family that stays in touch. Clayton was a great guy to work with, and I'm grateful I had the chance to know him, even if for just a few years. May God's peace comfort you during this difficult time. Jim Polum (JP).

“ Debi I've been knowing you , Clayton and Karie since 1980 I believe . We lived across the street on Lin Dr.  
Clayton made Michael's first big boy bed  
Remember the time ur mom and dad was here and Lannie , Sue , Michael , David and myself was all hanging out in you all's back yard ; remember David opened ur electrical plug and went to stick his little fingers in it after playing in Karie's pool . You jumped first to protect himfrom getting hurt and ..... Scared him so bad he started screaming . Clayton was the only one able to calm him down  
I'll never forget that :) Clayton and you were really good to both my boys .  
Clayton WILL be truely missed ... he was a great husband , father , and neighbor .  
R.I.P. my friend ... see you again one day !

“ I have known Clayton almost as long as I've worked at the airport. We've been friends through both of us changing companies and jobs. Clayton was smart, considerate and always willing to work to with me to make our jobs easier. I will genuinely miss having him to talk to every day, my prayers to his family as they deal with his loss.

“ Clayton was a great person, family man and devoted veteran. I had the opportunity to work with Clayton in the Air Force at Charleston AFB, SC . We had some very memorable times working in the fuels career field(POL) together. No matter how bad the day was going, Clayton maintained a sense of humor and positive attitude. He will be missed - especially by all of his POL friends. My deepest sympathy goes out to his entire family. Sorry for your loss. May god be with you all.
