“ I remember Uncle Clenton for his beautiful voice and all the wonderful childhood memories he was part of with me and my sister, Mom, Dad and Grandma along with his wife of 43 years, Aunt Era, his four sons and his first two grandchildren....Keri and Tim.

He and Aunt Era's house was one of my favorite places to visit as a kid....and my sister and I would play to pure exhaustion with their two youngest sons Tommy and Tony. We all grew up and went onto our separate lives....but those memories will live on forever. And, the most special time was Christmas Eve always at Grandma's. It was the most looked forward to night of the year for all us kids. Thanks for being such a special part of my childhood and early adulthood....and for being a wonderful Uncle.

“ Remembering all the years Uncle Clenton and Aunt Era unconditionally loved their boys and their grandchildren. Lots of Christmas and camping memories and of visiting their house when Kelsey was little. Uncle Clenton and I would work in the shop while Aunt era played with Kelsey. Prayers for comfort for my cousins.

“ Some of the best times of my life with my best friend Tom were spent in the Shackleford's front yard playing football after Thanksgiving dinner. I will never forget these fun and formative years. Prayers and love to all the family.

“ I have wonderful memories of spending time with Uncle Clenton and our many aunts, uncles, grandparents, and cousins in the Shackleford family. We often had Bremen holiday gatherings and reunions with dinner on the grounds. Uncle Clenton was always cheerful and kind to me. I remember his smile and joyfulness in having his children and

grandchildren together. Praying for all of the family during this sad time.
