“ Well sister, it's been a week since we got the call from Jesse that you were headed to the hospital. I was in McDonough and Lyric drove me to Douglas General and wow that was the longest drive ever. Sister, I know that you are healed now and out of pain but I can't begin to tell you how much I miss you....I can't believe that we can never talk again. I want you to know that sister and Big'un , Wild Bill and I are doing everything we can to help JJ and Richard and we will always be there for them. I love you and would give anything in the world to hear "now listen,"just one time!

“ I've been so sad since I heard the news of Connie. From the first time I met Connie I have admired her strength, courage, and her whole outlook on life. No matter what she'd been through, she never let it stop her. I can't wait to see her again in that home in glory! Love to Jessi and her family. Debra Caswell

“ It broke my heart to learn about Connie passing. She was a beautiful person body and soul. Always pleasant always with a smile always happy to see you. She always had a kind word and I don't really recall hearing her complain. She was truly a beautiful person and I feel that I was blessed to have known her. My love and sympathy to Jesse and the family. Helen Florence
