“ Mrs. Charlotte and family,
I can't put in to words how sorry I am for your loss. He was such a wonderful man and we were all so blessed to have known him. His presence at Villa Rica will be felt always because of the impact he made with his dedication, love and desire to do God's work. What an amazing example he was and will continue to be. His legacy will live on and on.
We love each and every one of you so very much.

“ I remember John being a part of my life since I was 4 years old. He knew how much I love cats and would call me "kitten". He gave me hugs and genuinely cared for me-- more so than my own grandfather. I came to think of him as a grandfather figure. He was always a constant in my life, always a sunny patch, always a joking laugh. He will be mourned and missed, but we have assurance that he has gone to his great reward and is with God now. I hope we can live our lives such that we can see him again.

“ Although I have never had the pleasure of knowing John, I have had the pleasure of meeting his Wonderful daughter! And if he was anything like the beautiful person I MET then I am at the disadvantage..... My heart and deepest sentiments goes out to Her, her loved ones and her Family!

“ I was so sorry to learn of John's passing. I knew him when I worked in the media center at Villa Rica Elementary. He was one of my favorite maintenance men. He would do whatever he could to solve whatever electrical issue I had and, if it couldn't be done, I always knew I could trust what he said. I pray God will give his family comfort and peace.

“ Mr. Vines will certainly be missed by all that knew him and loved him! We, at Villa Rica, will be lost without him! He and Mrs. Charlotte had a rare, special kind of love...anyone that knows him knows who his heart belonged to. He loved his children...and was proud of each one of them...He spoke often of his children and their accomplishments. He loved the grandchildren and the great grandchildren as well. He loved his church family...and he and Mrs. Charlotte always made you feel special...like part of their family!

To his sweet family...our thoughts and prayers are with you! We love all of you and are here if there is anything that we can do to help you through this difficult time. I was blessed to know and love Mr. John! We will miss his smile and his jokes, but most of all...his love!

“ To the Vines Family: Brother Vines has blessed my family in so many ways. His warm, but stern fatherly encouragement was always welcomed and appreciated and will be so missed. He maintained his Christian commitment in all aspects of his being and his love for Charlotte and family was evident in the twinkle in his eyes at the mention of their names. John was a loving, gentle man, who gave so much with the slightest of effort. You will all be in my prayers as John's love guides us through this difficult time.
