“ Dear Ashleigh and Nicole, Papa loved you both very much. HE asked Mimi to take care of you both when he went to be with Jesus and I know Mimi will. We had many good times with papa. Love always and forever, Ramonda Brownlow

“ Dear Jay, Marvin loved you very much. I am sure you remember the day he called you and me in there and he thought he was dying. He thanked you and me for everything we did. You always do such a good job taking care of the yard work and garden and anything else that was needed around there. Had you not plowed and help plant in the garden, there would not have been a garden for Marvin to enjoy. Always remember he loved you and did appreciate everything you did. He is in Heaven now with no pain. I love you always and forever, Ramonda Brownlow

“ Dear Mary Anne and Dawn, I want you and Dawn to know that Marvin had the best care in the world. There was nothing the two of you could have done any better. Marvin loved and appreciated everything you done for him. I am so glad that I got to be the one to care for him. He was the best person I ever took care of. He always thanked me for anything I ever done for him. We all had some great times together. I thank God that we took him to the doctor in his truck since that was the last time he got to ride in it. He was such a joy to be around. I love you all and you all are in my thoughts and prayers. You Mary Anne are the virtuous woman they speak of in the Bible and never let anyone tell you any different. Marvin is in Heaven and he is no longer suffering. Love always and forever, Ramonda Brownlow

“ Mary Anne,
I know how much you cherished your time with Marvin. I'm thinking of you and your family, and remembering our friendship. You are a very special lady, and Marvin was a very special man.

“ Marlynn and Lance - I am sorry for your loss but happy for your dad that he is without pain and in a better place now. I haven't seen either of you since Woodview Lane but have fond memories of us all playing in the neighborhood. I hope you are blessed in life and enjoy it's many lessons and gifts.
