“ John and family, we are truly saddened by the news of Sharon's passing. I will always think of her as a caring neighbor and lovely person who was devoted to her family. We shared fun times in Mirror Lake and I can still picture her in her red hat. May you find solace in the wonderful memories of your dear wife, mother, and grandmother.

“ I will always remember Sharon and John and Angela and Carla. They were among our first neighbors on Forestmont Court in North Forest in Marietta. Our children were almost the same ages and we came from the Midwest to start our life as southerners. We shared lots of thoughts as we grew in our parenthood. Sharon was such a good person, parent and neighbor. God bless her family as they grow to celebrate her life.
She will be remembered by many as a kind, loving person. Sharon and her family will remain in my prayers.

“ I am broken hearted to lose my golfing buddy. I, also, knew Sharon through Mirror Lake Bunko and Scarlet Ladies of the Lake, but my favorite memories were playing golf with her in our Nine and Dine group. Once she and I were the only ones that played. We both hit our drives and they were horrible. She wanted to tee her ball in the fairway. But instead we decided right there that we would take as many "mulligans" as needed. If we didn't like the shot, we would just hit it over. It really helped me learn how to play the ball in different situations, and we had really good scores that day. We laughed and giggled and had the best time. She emailed at the first of the summer and said she couldn't play, but wanted me to keep her on the email list so she could keep up with us. I will miss Sharon and think of her often, but especially when I play golf. May God bless her family during this difficult time.

“ We have many fond memories of Sharon and John during our tennis playing years in North Forest subdivision in Marietta, GA. Sharon was such a natural athlete. Our team enjoyed many out of town outings when we played for hours every day and then would enjoy an evening meal together.
Sharon loved playing with her grandsons. It opened up another world for her since she had 2 daughters.
Last saw Sharon around a year ago and she was all smiles. Heard her voice from across the room at a local restaurant and she and John joined us for our meal. It was funny because we had ordered the same meal as John and Sharon and didn't know it. .
